To Our Neighbor:

Thank you for your commitment to serve our community as a member of Oak Meadows Civic Club.

TPC Group is not only a business in the neighborhood, but also a vital member of the community. Associating with our community helps facilitate the Company's goal of being a good neighbor and maintaining transparency in our operations and communications. That is why we are recognized as a visible and supporting partner to many organizations that have similar objectives in promoting educational advancement, environmental responsibility and community sustainability.

Some of our local affiliations include:

Houston:

- ✓ East End Chamber of Commerce
- ✓ Greater Houston Women's Chamber of Commerce
- ✓ Houston Community Advisory Panel
 - ✓ OFA Little League
 - ✓ Cossaboom Family YMCA
 - ✓ Chavez High School

The Company believes in working collaboratively with elected officials at the local, state and federal level to ensure we are a part of ongoing discussion about policies that impact our employees, communities and business.

TPC Group is also a major contributor to the areas in which it operates:

- Provides work for nearly 800 employees and full-time contractors.
- Purchases of goods and services annually add more than \$175 million to the local economy.
- Contributes nearly \$7 million each year in property taxes to various city, county and school authorities.

TPC Group is a leading producer of value-added products derived from niche petrochemical raw materials, such as C4 hydrocarbons, and a provider of critical infrastructure and logistics services along the Gulf Coast region. The Company sells its products into a wide range of performance, specialty and intermediate markets, including synthetic rubber, fuels, lubricant additives, plastics and surfactants. Headquartered in Houston, Texas, and with an operating history of over 68 years, the Company has manufacturing facilities in the industrial corridor adjacent to the Houston Ship Channel, Port Neches and Baytown, Texas and operates a product terminal in Lake Charles, Louisiana. For more information, visit the Company's website at <http://www.tpcgrp.com>.
