Community Yard Sale!

Ten (10) tables were available for rent. We had anticipated all tables to be rented but it was a good start. Some people rather have their sale on their own property but let us make a change and make it into a community yard sale.

Allow your civic club do the advertising for you!! What a great turn out it can be if all vendors were at the same location. *"Thank You Christina"* for the usage of Selebracion Hall

parking lot.
