"Have your carport lighted up and set your alarms"

It has been reported several times that there are tires that are being stolen from vehicles; please make sure you have your car parked in a lighted area, start the alarm, and turn your wheels all the way in a direction so that the wheel will not be as easy to remove.

Se ha reportado varias veces que hay llantas que son robados de los vehículos; por favor asegúrese de tener su coche aparcado en una zona iluminada, iniciar la alarma y gire las ruedas todo el camino en una dirección para que la rueda no será tan fácil de quitar.

We Need Your Help Helping WITHOUT Having to Call the Police **Everyone in the community can now participate with minimal effort ANONYMOUSLY.**

Because gang members hide in the cracks of our community as they commit crimes in the Houston area, we need your help identifying them and their criminal activities. Law enforcement can be made aware of the incident / tip without having to involve you as a witness. All leads can be submitted on a confidential basis to the Stop Houston Gangs Force. **All tips are anonymous** unless the submitter provides their contact information. **Your IP Address is not being logged and/or transmitted during submission.** Your participation is greatly appreciated and collectively can provide significant help in thwarting criminal gang activity.

Reasons Why People Don't Report Gang Violence & Related Crimes

- They are not sure who they should report the incident to
- They are not sure the information is of any significance
